EDUCATION

Florida Atlantic University

Bachelor of Science in Biology

Boca Raton, FL

Aug. 2019 – Aug. 2023

University of Central Florida

Certificate in Full-stack Web Development

Orlando, FL

Sept. 2022 – Dec. 2022

EXPERIENCE

Walgreens Pharmacy

Pharmacy Technician

April 2022 – September 2022

Boca Raton, FL

- Regularly maintained OTC medicine inventory, kept track of and disposed of expired products, opened up shelf space and increased customer satisfaction with product variety.
- Swiftly and correctly calculated dosages, dispensed medications, prepared labels and filled prescriptions for approval by pharmacists.
- Fielded questions from both patients and medical practitioners regarding prescriptions and refills, resulting in well-developed communication skills.

PROJECTS

GitFit | *MongoDB, Express, React, Node*

December 2022 – Present

- Currently collaborating with a 4-person team to design and develop a fitness application that allows for users to search, create and save workout plans.
- Utilized MongoDB to create REST APIs serving data regarding users, and their workout plans.
- Deployed an Apollo/GraphQL server in order to test and develop queries for the MongoDB end points.
- Implemented a third-party exercise API that queries exercises and their directions based on user search input.
- Designed and developed a responsive front-end with React.

Higher Lower Browser Game | *HTML, CSS, JavaScript*

October 2022 – Present

- Collaborated with a 4-person team to develop a browser game in which the user guesses which song is currently ranked higher or lower on Spotify's Top 200 global chart.
- Explored the Spotify API documentation and led the implementation of the API as well as the development of the JavaScript game logic.
- Utilized Git to simulate the standard work flow of a collaborative project with version control.

TECHNICAL SKILLS
